SHOWER CURTAINS

(i) Manual Wash

Soak curtains in hot water
with vinegar OR bleach
(**NEVER BOTH**). Let it sit
for ~20 mins. Scrub &
rinse.

(ii) Machine Wash

**Check if curtains are
machine washable!** Use 1
cup baking soda with
laundry detergent. Set
wash cycle with 90°C or
more. At rinse cycle, add
1 cup distilled vinegar.

Dry curtains in the sun to
kill germs. You may spray
disinfectant once dry.
